The Young Crafters of Rousay, Egilsay and Wyre

The Young Crafters of Rousay, Egilsay and Wyre is a group for the secondary school kids (years S1-S6). One of the purposes of the group is to provide a forum for the teenagers to explore art, craft and trade skills in a social environment.

Although in its early stages, we have nine regular members and are calling to any S1 – S6s that would be interested to come along. From 6th March, the group will meet on Sunday afternoon 2.00pm – 4.00pm at The Crafhub. If you live on Egilsay or Wyre and would like to join us please contact me and I can arrange for the group to be moved to a Saturday until the Sunday boats start running again.

The group is run for the teenagers by the teenagers and will teach them business skills as well as creative skills.

I would also like to ask if there are any residents on the three islands that have a craft that they are willing to share with the teenagers please give me a ring as another of the purposes of the group is for the residents to pass down their crafts to the next generation so that traditional crafts won't fade away.

The teenagers in this group are enthusiastic and will soon be creating beautiful arts and crafts, which will be available in The Crafhub. All profit made from these will go back to the teenagers who will control their own finances.

The Crafhub has applied for several grants to get the teenagers the materials they need to start producing their crafts so watch this space for regular updates!

Letter from School Place

Our budget has now been set, and without any increase in council tax. Because the Scottish Government threatened to “bundle” their sanctions (amounting to a potential penalty of £1,709,000!), the amount we would have had to increase council tax by to bring any money at all into the Council would have been more than 22% (far exceeding my calculation in last month’s *Letter*)! This is something we could not justifiably inflict upon the people of Orkney. Given the Scottish Government’s reduction of £4,788,000 in our funding, there have, of course, had to be some increases in charges (Ferry fares excepted) and cuts in spending, but we have striven, after numerous discussions and briefings, to make these as painless as possible. At the Special Policy & Resources Committee meeting for setting the budget, I sought, and was given, assurance that the cuts will not undermine the values and priorities of our Council Plan (*Wur Plan*). Nevertheless, an amendment was brought forward, which I supported, to increase funding to the voluntary sector by 1%. At the subsequent Special General Meeting, I supported a further amendment to retain our early-intervention nursery nurses. Many people ask if we haven’t reached the “rainy day” which we should be using our oil money for. I fear that what we are seeing today is merely a drizzle compared with what is to come. Incidentally, in the last ten years our Strategic Reserve Fund has contributed some £64.9 million to council services and capital projects, so it is not as if we don’t make use of it already.

At the Education, Leisure & Housing Committee meeting we approved a revised staffing policy for primary schools for implementation from August 2016. This policy is designed to help improve the pupil/teacher ratio, provide some flexibility for head teachers in relation to class structure planning, and build in capacity for new enrolments taking place after the start of the school year. This is particularly helpful for our smaller schools.

Headmistress of Shapinsay School, Emma Clements was invited to attend the meeting to receive congratulations herself and on behalf of her staff for the outstanding result her school achieved in the Education Scotland & Care Inspectorate joint inspection last September. They were rated “excellent” for “learners’ experiences”—a very rare accolade indeed, believed to be one of only two “excellents” awarded across the whole of Scotland!

I participated in a meeting at which Orkney Ferries had invited representatives from the Rousay, Egilsay, Wyre & Gairsay Community Council to discuss concerns about the winter timetable for the Rousay, Egilsay & Wyre ferry. This was a good example of the Council’s value “working with communities” being put into practice, and I congratulate Orkney Ferries for engaging with the community in this way. One concern, however, that we still don’t seem to be able to resolve (and this was discussed too at the subsequent Ferry Services Consultative Forum meeting) is the matter of books of discounted tickets for children being issued solely for named individual children. This is something I am going to keep working on, and I would appreciate Isles community councils, development trusts and residents engaging themselves in the process as well.

At a meeting of the Community Development Fund Sub-Committee I was pleased to be able to support an application from the Stronsay Community Play Park Action Group to upgrade the Ward Hill Play Park. As I pointed out at the meeting, there are playparks scattered all over the Mainland, but this is a luxury we don’t enjoy in the Isles (where most playparks are separated from each other by a long sea journey) so each one needs to be good.

I succeeded at our Policy & Resources Committee meeting in persuading the majority of councillors to support my wish that the item on island registration services be discussed in public. I had already engaged with officials on this issue at an early stage (see November’s *Letter*) and was subsequently overwhelmingly backed up by the many who contributed to the public consultation. As a result, island registrars are going to be retained—a good news story that the public was entitled to hear (it even made it onto Radio Scotland!).

We resumed consideration on what OIC could do for the Syrian refugees. It is unlikely, however, that any will be settling in the Isles, as it was admitted in the meeting that, although some islands have housing available, access to services is inadequate. I did not let this pass without comment, as you may have heard on the audiocast.

Other meetings I have attended this month include: a pre-meeting for Education, Leisure & Housing and my monthly “catch-up” with the Executive Director; Magnus 900 Working Group; Cultural Fund; House Build Programme Board; Air Services Consultative Forum; Centre for Nordic Studies Working Group; Sanday Community Council; Stronsay Parent Council, and Westray Parent Council.

I shall be going to Eday for their community council’s meeting on the 16th March.

Saturday 16th – Sunday 24th April 2016

Every year hundreds of volunteers throughout Orkney mainland & the isles do their bit to clean their parishes of the debris that inevitably accumulates, particularly after the winter storms, on beaches, loch sides, ditches, etc. Community Councils can support local groups and charities who participate in the clean up by sponsoring them.

This year the event is scheduled to take place over a nine day period, extending from Saturday 16th until Sunday 24th April 2016.

If your group is interested in applying for sponsorship, an application must be received by the Clerk prior to the event date.

Send your request to the:-

or to: Midgard, Rousay, KW17 2PT.

Should any groups/individuals wish to help over this weekend, they are asked to contact bagthebruck@gmail.com

Bags, gloves and health and safety information will be provided the week before the clean-up weekend.
(The CC does not organise the supply of cleaning equipment).

Winter Ferry Timetable 2016/17

Orkney Ferries is looking to make changes to the Winter Ferry Timetable for 2016/17 for Rousay, Egilsay & Wyre. This has come about due to a 'Briefing Notice' issued by the MCA relating to the 'hours of work/hours of rest' for the crew of the MV Eynhallow.

Angus, John and Rachael met with representatives of OIC and Orkney Ferries (OF) at the beginning of February and turned down the proposals put forward by OF. Since then another draft timetable has been put forward (see overleaf for your attention) and the members have declined this, asking that representatives from OF and OIC come to Rousay to meet with the CC within the next 2 weeks.

The REWGCC would be grateful if you could look at the timetable and provide feedback to the members listed below so they can gauge the feeling of the communities when arguing the RE&W case.

The members of the REWGCC are Angus Firth (Chair), John Garson (Vice Chair), Chris Cox (Egilsay Rep), Rachael Harris (Wyre Rep), Carole Maguire, Eric Shortland and Richard Tipper or you can send comments to the REWGCC c/o the Clerk at email: rewgcc@btinternet.com and she will pass these on to the Chair.

Volunteers Needed for Poppies Display

Dear Volunteer,

VAO has been approached by Orkney Islands Council to support a recruitment drive for volunteers who will help care for the spectacular display of ceramic poppies to be installed at St Magnus Cathedral in the spring.

It follows the recent announcement by 14-18 NOW, the UK's official arts programme for the First World War centenary, that Poppies: Weeping Window will go on display at the Cathedral from 22 April to 12 June 2016 to commemorate 100 years since the Battle of Jutland.

Orkney Islands Council is working with Voluntary Action Orkney to recruit Volunteer Hosts to help out during the poppies' time in Orkney.

"We are looking for friendly, outgoing people who can spare some time to help us look after the poppies while they are in our care," said Karen Greaves, the Council's Head of Leisure and Lifelong Learning.

"The volunteers will be on hand to welcome visitors, answer questions and provide information."

"This will be a wonderful opportunity to talk to and interact with the people who come to see the poppies – and to share in their thoughts and reflections as they experience what will be a very moving tribute to those who lost their lives during the First World War."

Full training will be given and the Volunteer Hosts will be supported by Cathedral staff.

Poppies: Weeping Window is from the installation Blood Swept Lands and Seas of Red – poppies and original concept by artist Paul Cummins and installation designed by Tom Piper – by Paul Cummins Ceramics Limited in conjunction with Historic Royal Palaces.

The installation was originally at the Tower of London in 2014 where 888,246 poppies were displayed, one to honour every death in the British and Colonial forces of the First World War.

At the Cathedral, Poppies: Weeping Window will be open seven days a week from 9am to 8pm, and volunteers are needed for the following shifts:

- 9am to 1pm.
- 1 to 5.30pm.
- 5.30 to 8pm.

The aim is to have a minimum of two volunteers covering each shift. The artwork will be in Orkney for several weeks and volunteers are welcome to take part in one or more shifts.
