Surgery Opening Times (Tel.: 821265)

GP present on Monday and Friday until 11AM, and all day Wednesdays.

The Female GP is here on Fridays.

Monday	9:00-13:00	
Tuesday		14:00-18:00
Wednesday	9:00-11:00	16:00-18:00
Thursday	11:00-15:00	
Friday	9:00-11:00	16:00-18:00

If you require medical assistance in an emergency, please phone **999**. If you require urgent medical advice, and cannot wait until the surgery is open, please contact the Balfour switchboard on **888000** and ask them to page the Rousay Nurse Practitioner.

Practice Meetings

Starting from April, the surgery staff will be having a meeting on the first Wednesday of every month, between 10 and 11AM. This means the phones will not be answered during this time. You are welcome to leave a message on the answering machine and we will get back to you as soon as we can. If it is an emergency, please follow the instructions above for paging the Nurse Practitioner.

Collecting Prescriptions

Whenever possible, please try to collect these during scheduled opening hours. Our Nurse Practitioners are often out on home visits, so you may have a wasted trip if you come along at other times.

If you use our advance ordering system, please note that we would prefer that you phone ahead so that we can have your prescriptions ready, as we may be busy when you arrive.

Annual Reviews

We are moving to a system of reviewing people annually in the month of their birth. We are working our way through reviews of people who are overdue, but if you have a long-term medical condition (for example Asthma, Diabetes, High Blood Pressure, etc.), and think it may have been more than a year since you were reviewed, please contact the surgery. This applies even if your birthday is months away.

Hospital stays

Please remember to contact the surgery when you are released from hospital. We are not usually told by the hospitals, so we rely on patients letting us know themselves. If you have been given a letter, please bring it along, or ask someone to do it for you. This is especially important if any changes have been made to your medication during your stay. Thank you.

Brinian Play Park

At this time of the year the play park ground gets very wet. Please take care and if possible avoid playing in the muddy areas. If we can keep off of any damaged ground as much as possible it will recover quicker and the grass will grow better in the spring. Thank you, in anticipation, for your cooperation in this matter.

We do not want to close the play park. If the ground continues to decline in its condition, however, we may have to close the play park during the wet weather to allow for the ground to recover. To help in solving this problem, the Trust has recently approved the purchase of additional weather proof surfacing which will be laid as soon as received (weather permitting).

Free Adult and Child Swim & RHLC Sessions

Following on from the island meeting with OIC's Garry Burton in March (thank you Clare for arranging this), the Trust is now working with OIC to find a solution and an alternative to the Active Life card as it currently stands. This will be for residents who only wish to use the Rousay Gym and/or Fat Burn classes, and/or the free swim sessions at the Pickaquoy Pool. We will let you know as soon as we hear any news.

Do you qualify for a free rechargeable/solar powered lantern?

The Trust still has some free rechargeable/solar powered lanterns in stock, for distribution to elderly, infirm, or vulnerable members of the community. If you think you qualify, contact the Surgery (Nurse Practitioner 821 406 / Anne 821 265), who are distributing the lanterns on behalf of the Trust.

Ask us for more information on the following things the Trust offers:

Subsidised rate

Free lanterns

Grant Schemes

Grant Applications and Education Bursaries

For a grant application form, please go to our website or contact the Office.

All applications must be received a minimum of **two weeks** before the planned Board meeting date or training event. This is to allow sufficient time for applications to be processed.

Board meetings planned for 2017:

Wednesday 10th May
Monday 6th November

Wednesday 21st June
Monday 4th December

Saturday 19th August

The Annual General Meeting is planned for Saturday 7th October.

Stone Chippings Scheme - Opens Monday 3 April 2017

The REW DT Board, in their 2017/18 budget, has reintroduced the Stone Chippings Scheme and has allocated money, to assist in the maintenance of private roads with chippings.

Residents of Rousay, Egilsay and Wyre can apply for chippings using the Stone Chippings Scheme Application Form, which, together with the Scheme's Terms and Conditions, can be downloaded from the Trust's website (www.rewdt.org) or by contacting the Office either by phone on 821 229 or e-mail at info@rewdt.org

The Scheme opens on Monday 4 April, with a closing date of Friday 28 April 2017.

REW DT Stone Chippings Scheme Criteria

The Trust hopes that this will be a regular annual offer (subject to funding being available). As the Trust expects this scheme to be over-subscribed, houses will normally only be awarded chippings once in every three years to allow for all residents to have access to this offer.

Unsuccessful applications will be prioritised in subsequent years if the households re-apply.

Awards will be at the discretion of the board and all decisions are final.

Successful allocations (subject to the budget) will be as follows: -

- Those properties with under 50-metre drives will be allocated a maximum of 10 tonnes
- 50 – 100-metre drive will be allocated a maximum of 20 tonnes and
- Over 100-metre drives will be allocated a maximum of 30 tonnes.

The above will apply unless on the application form the household has requested a smaller amount of chippings to be awarded.

The Trust will provide, if requested, assistance to any household with the laying of the chippings.

North Isles Landscape Partnership Scheme - Development Phase Update – No. 5

Hello,

As I write this update on the North Isles Landscape Partnership Scheme (NILPS) we are heading towards the end of March and time is rapidly marching on towards the date for submission to the Heritage Lottery Fund (HLF). Since my last update in January, we have been concluding the majority of the project studies and procuring the final studies required by the HLF as part of the NILPS development phase. The details are highlighted below:

- My colleague, Tom Hunter, has recently been visiting the islands and meeting with groups/individuals to consider small-scale projects regarding the Historic Environment in each island. This will help prioritise potential projects for delivery but it is our intention that at least one project per island will be further developed.
- The Heritage Trail and Active Travel study has completed its site visits with Jane Dixon from Ironside Farrar completing a few final island trips to finalise proposals.
- The Landscape and Seascape Study is also being written up. The information from this survey will provide an essential element of our application to the HLF.
- The Visitor and Marketing Study is also being finalised. This report will include a SWOT (strengths, weaknesses, opportunities and threats) Analysis and Marketing Strategy.
- The Biodiversity Study is now completed.
- The contract for the monitoring and evaluation of NILPS has recently been awarded to Resources for Change (www.r4c.org.uk/index.html). The company have experience of monitoring and evaluating other schemes around the country.
- The branding, graphics and website development for NILPS is currently out to tender.

Once all of the studies required as part of the round 2 submission have been completed and approved by the NILPS steering group, they will be made available to the public. I am currently considering the most effective medium to disseminate the studies and shall update you on this once we reach a conclusion. As highlighted in the previous update, in order to meet the next HLF deadline the final version of the Landscape Conservation Action Plan (LCAP) for NILPS needs to be submitted by the end of July 2017. The regional board for the HLF will meet at the end of November 2017 to consider the NILPS application. As such, we hope to hear the outcome in December 2017. Subject to a positive outcome NILPS should commence in early 2018.

As mentioned previously, my priority from now until the end of July will be producing the LCAP as well as developing the projects we intend to deliver under NILPS. The studies have helped identify projects for delivery and I continue to keep in touch with various groups regarding these projects. This will continue as collectively we work up suitable projects for delivery during the 2018-2022 scheme.

I would ask that you please disseminate this information as widely as you can within your own community and let me know if there is anyone you would like included in future communications. Further information is available at the following link - <http://www.orkney.gov.uk/Service-Directory/D/north-isles-landscape-partnership-scheme.htm> Thank you again for your continued participation and working with the various individuals who have been involved in producing the studies. I will continue to keep in touch as we keep working towards our end of July submission.

Best regards,

Alister Brown (Development Office - North Isles Landscape Partnership Scheme)
Development and Marine Planning, Council Offices, School Place, Kirkwall, KW15 1NY
T: 01856 873535 ext. 2814 (Kirkwall) / 01856 873535 ext. 3041 (Stromness) E: alister.brown@orkney.gov.uk

The NILPS Development Phase is being supported by the following organisations

Rousay, Egilsay, Wyre & Gairsay Community Council

Bag the Bruck

Saturday 22th – Sunday 30th April 2017

Bag the Bruck is scheduled to take place over a nine day period this year, extending from Saturday 22th until Sunday 30th April.

The Community Council can sponsor local groups and charities who participate in the event.

If you require further information or wish to apply for funding please contact the Clerk, **prior to your event**, for an application form, at the address below.

Trial Project: Inter-Islands Ferry Passenger Tickets between Egilsay, Wyre & Rousay

REWGCC is continuing the trial scheme offering a book of passenger ferry tickets for inter-island use on the MV Eynhallow between Egilsay, Wyre & Rousay.

The scheme is open to permanent residents on the three islands providing free passenger travel which can be used for visits to the GP, shop, functions etc. all encouraging inter-island activities.

To be considered for an allocation of inter-island tickets please provide the following information:-

- Name and address
- Category i.e. Adult, Junior, OAP/Concession
- Contact phone number

Applications should be forwarded by Wednesday, 12th April 2017 to the address below.

REWGCC would like the community to be aware of the upcoming event Magnus 900 event.

To find out details please visit www.magnus900.co.uk

Stephen Clackson's Letter from School Place

The last cycle of council meetings before the election is now finished, and the last General Meeting has been held, at which I moved the last amendment of this council. It had been agreed at the Policy & Resources Committee meeting to replace the present convener / vice-convener leadership arrangement with a convener (civic head), leader (political head) and deputy leader; my amendment was for the term of office of the leader to be 2 years (as already agreed for the convener and deputy leader) rather than for the full term of the council (this time 5 years). I think it is risky to choose a leader to serve for such an extended period, particularly when new councillors (such as I was 5 years ago) are unlikely to be very familiar with the candidates standing for the position and will find it hard to judge their potential. Regrettably my amendment was defeated.

From now until the local government election on the 4th May, statutory committees, such as licensing, will continue to meet, as will some of the member/officer working groups I currently sit on, such as the Empowering Communities Working Group, and I shall still be representing OIC on the UHI Foundation and the Highlands & Islands Skills Academy Leadership Board. Also, existing councillors will continue to attend community council meetings. So I'll carry on being busy as your councillor right up until polling day. What happens afterwards depends on you, the electorate.

The deadline to register to vote at the council election is Monday 17th April. If you think you are not on the electoral register or have recently changed address or name, call in at the Electoral Registration Office in Kirkwall (8 Broad Street, round the side of "The Reel"), telephone them on 01856-867222, or e-mail ero@orkney.gov.uk. In the North Isles there are no longer any polling stations, so, unless you want to travel to Kirkwall to vote, make sure you have also registered for a postal vote. For the first time ever, **at this council election 16 and 17 year-olds can vote**, so make sure you are registered to vote by post, too.

I was at the meeting of the Magnus 900 working group at which the final arrangements for the nonacentennial celebration of the death of St Magnus were presented. Among the events, on Saturday 15th April there will be a re-enactment of his martyrdom on Egilsay. For info on how to be involved contact Ragnhild.Ljosland@uhi.ac.uk at the Centre for Nordic Studies.

As reported in *The Orcadian* (9th March), at the Policy & Resources Committee meeting I asked about a replacement for the Golden Mariana, given its recent break-down. We were informed that a search is underway. Also reported in *The Orcadian* (2nd March) were my comments on the Island Games. When we are increasing charges, raising council tax, cutting services and freezing school budgets, I do not see how we can justify blowing a million quid on a week-long sporting event. To put it into context, this is over twice what our 2017/18 council tax increase will bring in. Which would you prefer: a sporting event that will be of little or no benefit (and quite possibly disruptive) to the North Isles, or no rise in council tax for the next 2 years? Or how about restoration of monthly visits of the mobile library and new stationary and textbooks for our schools? What about a bit extra for the ferries and air service? On the other hand, it was reassuring to hear about our maintenance programme for piers and harbours, and to approve a stage 2 capital project appraisal for the resurfacing of our island runways.

All councillors were invited to a special meeting of the Development & Infrastructure Committee to consider the local development plan. This gave me the opportunity to ask about flood protection for Whitehall village. We were reassured that Whitehall is included in the flood protection plan that has to be submitted to the Scottish Government.

Out and about in the Isles: Together with Cllr Harvey Johnston (Chair of Education, Leisure & Housing), I (as vice-chair) enjoyed an official visit to the Sanday Heritage Centre and Sanday School. I spent an evening in North Ronaldsay at a public meeting to talk about the Scottish Government's Rural Housing Fund and to discuss plans for the future of North Ronaldsay School. Now that the last pupil is leaving for KGS this summer, it is proposed to "put the school on stand-by" (a more inspiring term than "mothballing") and use it as a community educational resource. I have been to meetings of both Stronsay's and Shapinsay's community councils this month, and to parent council meetings in Stronsay and Sanday.

The Parent Council Chair Person Conference provided a great opportunity to catch up with parent council chairs and head teachers. Straight after lunch, we were treated to an instructive presentation on the spread of norovirus by projectile vomiting!

At the meeting I called with officials regarding issues with the "ActiveLife" card, I was told there is going to be a 6-month review in June, at which concerns from the public will be considered. Also, closer links with NHS Orkney are being forged, which may allow exercise on prescription. If you wish to feed your experiences into the 6-month review, please pass details on to Garry Burton at OIC (garry.burton@orkney.gov.uk) and feel free to CC me in.

Other meetings I have attended at School Place this month include: the Special General Meeting to ratify our budget and council tax rates, and meetings of the Change Programme Management Board and Constitutional Reform Working Group.

I shall be in Westray on 27th March for their community council meeting and on the 28th for the meeting of their parent council. I'm due to attend meetings of the Eday Community Council on the 5th April, Sanday Community Council on the 11th April, and of the Rousay, Egilsay, Wyre & Gairsay Community Council on the 22nd April (the day before my birthday)—provided I'm not martyred on the 15th April while I'm on Egilsay!

This issue and back numbers of "Letter from School Place" are now available for downloading from **clackson4northisles.pbworks.com** along with my manifesto.

Cllr Dr Stephen Clackson
West Manse, Sanday
stephen.clackson@orkney.gov.uk

DIVERTING UNUSED RENEWABLE ENERGY INTO AFFORDABLE HEATING

Heat Smart Orkney

provides you **free**
storage heaters,

flow boilers &
immersion heaters
if you participate in
our project!

ARE YOU CONCERNED THAT WE HAVE OFFERED THE PROJECT OUTWITH ROUSAY, EGILSAY & WYRE?

Then please join the **Heat Smart Orkney** project– we have only heard from 57 households on our islands, so please come forward! The more households we sign up, **regardless of where**, the longer our turbine will run, which means **more income to be spent on projects for Rousay, Egilsay & Wyre.**

If you haven't been contacted by the **Heat Smart Orkney** team and would like more information, please get in touch– we can take new clients anytime!

AND REMEMBER...

Heat Smart Orkney is offering a **Sign Up and Completion of Project Incentive** for the first 100 households to join the project- in addition to receiving a rebate on electricity used during your participation in the project, upon signing our agreement **you will receive £50, and if you remain until the end of the project, we will issue you another payment of £100** as a loyalty bonus, saving you even more money on your heating bills!

To learn more, please contact us by phone, email, Facebook, or in person and we will post you an information pack:

- Phone us on: **01856 821 277** to book an appointment to visit us
- You can contact us via email at: info@heatsmartorkney.co.uk
- Our website is: www.rewdt.org/HSO
- Find us on Facebook: **search Heat Smart Orkney to learn about the progress of the project**

The **Heat Smart Orkney** Team: Kira Hoffmann and Julie Morgan, Project Assistants and Diana Compton, Project Officer.

Heat Smart Orkney is a subsidiary of the REW Development Trust and is partnered with

Catalyst

and funded by the Scottish Government through Local Energy Scotland and its Local Energy Challenge Fund
