Rousay Clay Shooters

This year has seen the Clay Shooters continuing to enjoy their sport above Quoy Grinnie, with kind permission of Russell Marwick. There have been 3

new shotguns purchased by the regular shooters, 2 of which are very fine Brownings and have had a significant impact on individual scores. Only Rolf and Michelle sport other makes now! There has been a new shooter join the group with Shelley Cook increasing the number of lady guns by 100%! We have also welcomed other first time and more experienced guns to enjoy an evening on the "range", and hope they will join us again soon!

The regular team's scores at the end of June, are given in the table below and each are competing for Top Gun, Top Average and Most Improved. Early indications are that all of last year's titles will be changing hands!

Name	Overall Score	Shoots attended	Average Score
Billy Kemp	215	6	35.8
Michael Taylor	281	6	46.8
Michelle Koster	158	4	39.5
Richard Koster	260	6	43.3
Rolf Soames	208	5	41.6

On the weekend of 30/31 August Rousay will host the North Isles Clay Pigeon Shooting Competition with teams from all the North Isles invited. 2007 saw the Mainland, Stronsay, Eday and Rousay competing, and this year promises to be another weekend full of shooting and fun.

If you would like to take part, don't be put off by the word "competition".

Each team brings along enthusiastic learners who can get the benefit of superb tuition and advice from the more experienced guns attending. Your island needs you, whatever your skill level!!

If you would like to try Clay Pigeon Shooting or take part in the North Isles Shoot, contact any of the guns listed above.
