## COMMUNITY DEVELOPMENT TRUST NEWS

### **Community Powerdown:**

As you may have heard, our Development Trust is among the community groups sharing in a grant from the Climate Challenge Fund. This will allow us to create a part-time job for 2 to 2.5 years to co-ordinate projects related to reduction of carbon emissions and waste, and to pay for some of those projects.

The first of these projects is an Energy-Efficiency Survey of all the homes in Rousay, Egilsay and Wyre. You may already have a form, if not, please contact Anne on 821 283. Please do fill these in, as the very least you will get out of it is a Report on the energy efficiency of your home. No one from the Trust will see any of the information on the forms as all the analysis is being carried out by the Orkney Energy Agency. We will, however, be using any statistics generated to help with our Big Lottery application, so **please return them as soon as you can.**

The Trust has also been successful once again in its application for £2,500 from the **Fairer Scotland Fund** to cover our general running costs.

### **S.W.R.I.**

There was a good turnout for last month's Meeting where the main item was a talk given by Malcolm & Gwen Gilbert on the history of the Pitcairn Islanders, and of their own experiences of daily life whilst living there. Also, a big Thank You to all who contributed to the Charity Collection in aid of Childhood Leukaemia which raised over £99. This month's Meeting will be held on Tuesday, 10th.
